

# MOUNTAIN STAGE MEMBERSHIP

For more than 30 years, Mountain Stage with Larry Groce has been the home of live music on public radio. Produced by West Virginia Public Broadcasting and distributed by NPR, each two-hour episode can be heard every week on more than 200 stations across America. Recorded in front of a live audience, Mountain Stage features performances from seasoned legends and emerging stars in genres ranging from folk, to blues, to country, to indie rock.

And so more and more, folks are listening in and receiving upbeat vibes about West Virginia.

We contribute positively to the state's evolving image, and we generate tourism dollars for the state. That's why Mountain Stage is so valuable.

We want to be a beacon for decades to come, and to do that, we need community support. Every gift is important when it comes to sustaining live music from the Mountain State, and so we've designed a Membership Program as a way to bring you into the Mountain Stage family.

## Exclusive Promo Codes & Presale Offers

We want to give loyal listeners and supporters first dibs on tickets when they go on sale, and we're going to do that as frequently as possible. How about BOGO offers and discounts when they hit your inbox? It's a thank you note — but better! — from all of us at Mountain Stage.

## Curated Playlists & Newsletter

At Mountain Stage, we have access to music from fresh, emerging artists and new releases from legendary performers. We want to share those with you. You'll also get notes about upcoming shows, what songs we're blasting right now and who we're looking to bring to town.

## Backstage Tours

We love giving our audience the opportunity to see what it takes to make a radio show. Host Larry Groce and a member of the Mountain Stage production team leads each tour. Get to know the folks who are the show's heart and soul. Examine our artist boards that list every single show and every performer to ever appear on the show. And witness how the iconic finale song comes together before doors open to the general public.

## Base Camp Printing Company Poster

We've partnered with Base Camp Printing, which creates special-edition, letterpress prints just for Mountain Stage Members.

## Blenko Record

Cool things happen when West Virginia institutions get together, and the best way to celebrate 33 years is with a one-of-a-kind Blenko Glass record. Mountain Stage members can receive the limited edition piece made with a members-only color.

## R.E.M. Deluxe Edition of 'Out of Time'

"Out of Time" is a classic album, and this edition includes the band's historic 1991 Mountain Stage set! Hear why people are still talking about it 25 years later.

## Let Us Give You Credit

Where credit is due. To you! Hear your name in the credits of every Mountain Stage taping for a year. That means your name goes out across more than 200 public broadcasting stations
